A WORD OF CAUTION FOR DELEGATES!

For Delegates, who have not been familiar with Delhi, we would like to add a few words of caution. Delhi and the NCR region, despite the fact that it is a metropolitan city, has a poor reputation for tolerance. The nearby areas, villages and township surrounding the Campus, are populated by illiterate and uneducated people, who may fail to appreciate our looks and dresses. Delegates, may kindly not venture out of the Campus boundaries, to avoid unwanted incident! If there are any need to move out of the Campus, for any urgent reason, you may consult the Core Committee, please.

Secondly, --we are sorry to say this but need to, to not leave things to chances-- any form of intoxicants and tobacco products may kindly be avoided in this Campus. Our fellow Christians here in Delhi are very particular about these habits. Let us keep this in mind, as words of caution!

Tomorrow we will come up with some do's and don'ts from the Core Committee. Tonight is the Inaugural night/Lhunkim jan and we thought we should not bother you too much!

About THE ALL INDIA PRAYER FELLOWSHIP CAMPUS

The All India Prayer Fellowship Campus has been a familiar place for us, for since quite some years, now. Situated in the countryside between Gurgaon and South Delhi amidst the sprawling farm- houses owned by the rich and famous in Delhi, and away and far from the madding crowd of South Delhi, this place has been part of our history in many ways. Said to have been acquired as late as the seventies, the All India Prayer Fellowship Campus houses a theological seminary-the Immanuel Theological Seminary, school, hospital, etc.

As late as in October 1996, for the first time, a Bible Camp was organised in this campus by KWS Delhi, in the old Chapel Hall which had since been replaced by the new one. Next, in 2000 the first Khanglai Conference was organised here. In later years, Evangelistic Programmes had continued to be held here, every now and then by KWSD--Youth Camp in 2007, Family Camp in 2009, Children Evangelistic Camps in 2011 and 2014.
