### Farewell Khanglai 2017 & Welcome to KWSD Silver Jubilee

We are indeed pleased to conclude the Khanglai 2017 with a resounding success. It is the opinion of many Delegates that we moved a notch higher, in many respects, in this current Khanglai edition. We give the credit to God. Most importantly, we felt the presence of God in our midst during this Conference and we were blessed to have an opportunity to listen to messages from many servants of God. The Khanglai 2017, as usual, provided a platform for exchange of ideas and experiences, besides coming and fellowshiping together— Behold, how good and how pleasant it is for brethren to dwell together in unity (psalms 133:10). During the three days, there were animated discussions in various sessions and hectic engagements. Though there might be many shortcomings, we are happy that the Khanglai 2017 has come to a successful end.

Exit Khanglai 2017 and Enter KWSD Silver Jubilee. A Big Jubilee CHIBAI to all the Delegates! We are exceedingly glad that you would join us in thanksgiving and celebrating 25 years of God's blessings on KWSD. God's work in KWSD has indeed been marvelous and we cannot but proclaim them on this auspicious occasion! We wish you a blessed jubilee.

### FROM THE HUILHI DESK

## FAREWELL DELEGATES!

The Khanglai 2017 has come to an end! During the 2-3 days' Conference I hope we all had a fruitful time. We are indeed grateful to Almighty God for answering our prayers! During the Conference, there were many heart touching messages and talks. We are hopeful that these messages would indeed help us in our spiritual journey in the days to come. It was our prayer that each one of us would be fed with food that lasts for eternity!

During the Conference, we, from the Huilhi desk, brought to you a daily recap of the previous days' messages and activities. We are glad that many of you have enjoyed reading it, as much as we enjoyed bringing it to you. If you feel that the Huilhi had in some small ways serve you, we would feel amply rewarded. We believe that we might have committed errors also, which we plead to bear with us.

Now, it's finally time to close down the curtain! and time for the HUILHI to go into hibernation. God willing, you will see HUILHI again in the next edition of Khanglai in 2020 in Mumbai and Pune. Till then may God's blessings keep you always. GOOD BYE ! DEAR DELEGATES ! BON VOYAGE !
